The Santa's Elves program has been in place for over 30 years, and while it has changed over the years, the programs intent has always been to lend a helping hand to families who are financially struggling with the additional expenses of the holiday season. This program is not a government funded program, we rely on the generosity of our community to purchase items or to donate financially. Our goal is to provide holiday cheer and spirit for your child(ren), and we will do our best to see that at least one item from each category is fulfilled.

Applications received after the deadline will be denied. No exceptions. Gifts will be available to pick up during the week of December 15, 2025. You will be notified of the exact date in a letter at the beginning of December.
